

## Payment Plan Policy

Dear Patient,

We, at AIRE Medical Group, Inc, do not offer payment plans so each patient's medical bill is fully due once generated and delivered.

We understand that in today's health care climate patients are faced with higher health care costs. We are conscious of this fact so we strive to educate each patient to his/her health insurance coverage so that any out-of-pocket medical cost is known before medical service is rendered. Additionally, AIRE Medical Group provides at least a 30 day grace period from the date of medical services before any bill is generated.

Unfortunately, AIRE Medical Group's policy on this matter is fixed because of its responsibilities to its community, patients, and staff.

We thank you for your understanding and cooperation.

Sincerely yours,

AIRE Medical Group
